## Sponsorship Opportunities 2010

The dates are set for the 5<sup>th</sup> Annual Brad Lackey Nor-Cal Classic at Sandhill Ranch in Brentwood, CA. This annual 2 day venue will take place on March 13<sup>th</sup> & 14<sup>th</sup> as rounds 3 & 4 of the AHRMA/Legends of Motocross Vintage Motocross National sponsored by McGuire Harley Davidson. Both days will host unbelievable vintage motocross competition, while supporting togetherness within the motorcycle community. Additionally, there will be a post-vintage support class on Saturday & Sunday, providing access to the racing machines from the 80's while supporting this era of racing and its fans.

Teamwork and support are the keys to the success of any event. In 2010, we are once again looking to our faithful sponsors and the industry in helping us make our event as memorable and successful for the riders and the community as possible. In return for your sponsorship, we will include your company logo on our event t-shirt, website, track signage, event flyers and posters.

This year, the AHRMA Legends Group will be honoring the best tracks in America. For our event, we have chosen Carlsbad Raceway as it was always the most anticipated track for Brad to come home to each year as he was pursuing the world championship. There will be a display from the many great years of racing at Carlsbad. We will also be hosting our BBQ with live music on Saturday evening for all the riders and their families, sponsors and volunteers.

We hope to have the support of the industry to make the 2010 Brad Lackey Nor-Cal Classic the #1 AHRMA Vintage National event of the year! Our press releases are going out and we want to make sure all supporters are represented, so please let us know that we can count on you!
