

West Coast MOTO JAM - 2010 Cross Over Challenge

May 14, 15, 16 Infineon Raceway, Sonoma, CA

Riders will compete head to head in three different disciplines in three days. Each race will have its own qualifying and unique main event. So competitors only compete against racers entered in the crossover event.

This is a Pro/Am Event and all riders 16 and older are eligible to compete, applications for Free Entry will be accepted from March 5th thru May 5th 2010. No License is required to compete. Racers are eligible to enter additional races and practice.

Minimum Cash Prize **\$2500.** with 60% of the total cash prize going to the winner and the remaining cash and prizes going to all the riders who compete in the final. Entered riders will have their names listed in various media and program fliers for this inaugural "King of the Hill" event. There will be a podium for each day's event with medals for the top three finishers each day and a Trophy Cup for the overall winner. All riders completing the final will get a commemorative, competitors only T-Shirt produced by Bad Co.

Qualifying & Racing:

Friday: Dirt track: Results from multiple heats will be used to determine placement in to one of two mains. Top 12 go to A main and earn 1-12 place points, bottom 12 go to B main etc.

Saturday: Old School Motocross, riders will line up for the gate start, a two moto format will be used to determine overall points. Gate pick by order of sign up. Cool natural terrain hillside track with some man made obstacles. Points paid to 20th place overall

Sunday: Supermoto: All riders will get a heat and a main. Starting grids for the main event will be determined by finish order in heats, Transponder times, or current placement in overall event will determine heat race starting positions. 24 Rider final
